Bosaeng Latex is Thailand's leading manufacturer of high-quality latex rubber gloves and boots. The company has been manufacturing for over 35 years. The company initially started in South Korea before relocating to Thailand we are the market leader in Korea and now in Thailand. We enjoy an excellent global reputation for high quality, comfortable, natural and sustainable rubber products.

The purpose-built manufacturing facilities are situated close to the best rubber plantations in Thailand to ensure a continuous supply of highest quality raw materials, and Bosaeng has pioneered production processes to ensure our products are always of consistent and superior quality. The highest quality standards have been sought, and we are proud of our quality and conformity accreditations.
